Welcome to our second **Buy or Bid Sale**. Here's how it works: you may buy anything at the price listed. In most cases the price is lower than our previous fixed price list; or you may send in a bid (by lot number) and maybe you'll get lucky. It's that easy. Catalogues only at these special prices (no prices realized lists).

If you submit bids and are successful, we will notify you after the closing date of July 2, 1999.

Also, as a special bonus to the regular buy or bid portion, there is an extensive list of catalogues available at the fixed price of just **\$2 each!** This is an incredible opportunity for everyone to add to their numismatic library. Take advantage of our overstock situation and get 'em while they last! Sorry, no bids accepted on this special \$2 section.

As always, Jenny and I wish to **"THANK YOU"** for your continued patronage. We will be on vacation from July 11 - 22; then I'll be at the ANA convention for a few days in August and hope to meet many friends there. Hope you enjoy looking through the sale.

Best regards,

Karl & Jenny Moulton
